DUBAI | +971 55 422 0770 | MOHMMEDALQMZI1000@GMAIL.COM |

### Profile Summary

Compassionate professional experienced in providing comprehensive dental care to patients of all ages. Adept at efficiently diagnosing and treating dental problems, educating patients on preventative care, and delivering superior customer service. Highly motivated dental professional with experience providing quality dental care services to all patients. Expertise in performing a wide range of dental procedures such as tooth extraction, root canals, crowns, bridges, fillings, and whitening. Skilled in utilizing the latest dental technologies and treatments to ensure optimal patient outcomes. Committed to providing individualized care while fostering strong patient relationships.

### Experience

#### DENTIST

##### DENTAL HOSPITAL OF SHARJAH

- I managed a diverse range of cases in endodontic, operative, oral surgery, prosthodontics, periodontics, and pediatric dentistry.
- Dedicated and experienced dentist with two years of hands-on practice at a prestigious dental hospital in Sharjah.
- I adeptly manage a caseload of over 20 patients daily, ensuring both quality care delivery and efficient time management.
- Conducted thorough patient examinations, diagnosed dental conditions, and developed comprehensive treatment plans. Performed root canal treatments, aesthetic treatments, and oral surgeries with precision and attention to patient comfort.
- Collaborated with a multidisciplinary team to address complex cases and ensure comprehensive patient care.
- Renowned for expertise in dental photography and digital Marketing, eager to contribute a unique blend of clinical proficiency and digital marketing.
- I instructed patients on oral health, hygiene practices, and post-treatment care.
- Prescribed antibiotics and pain relief medication based on individual patient needs following certain treatments.
- Enforced effective time management practices throughout office operations to maximize efficiency.
