Welcome

to your new Lloyds Bank isa debit card

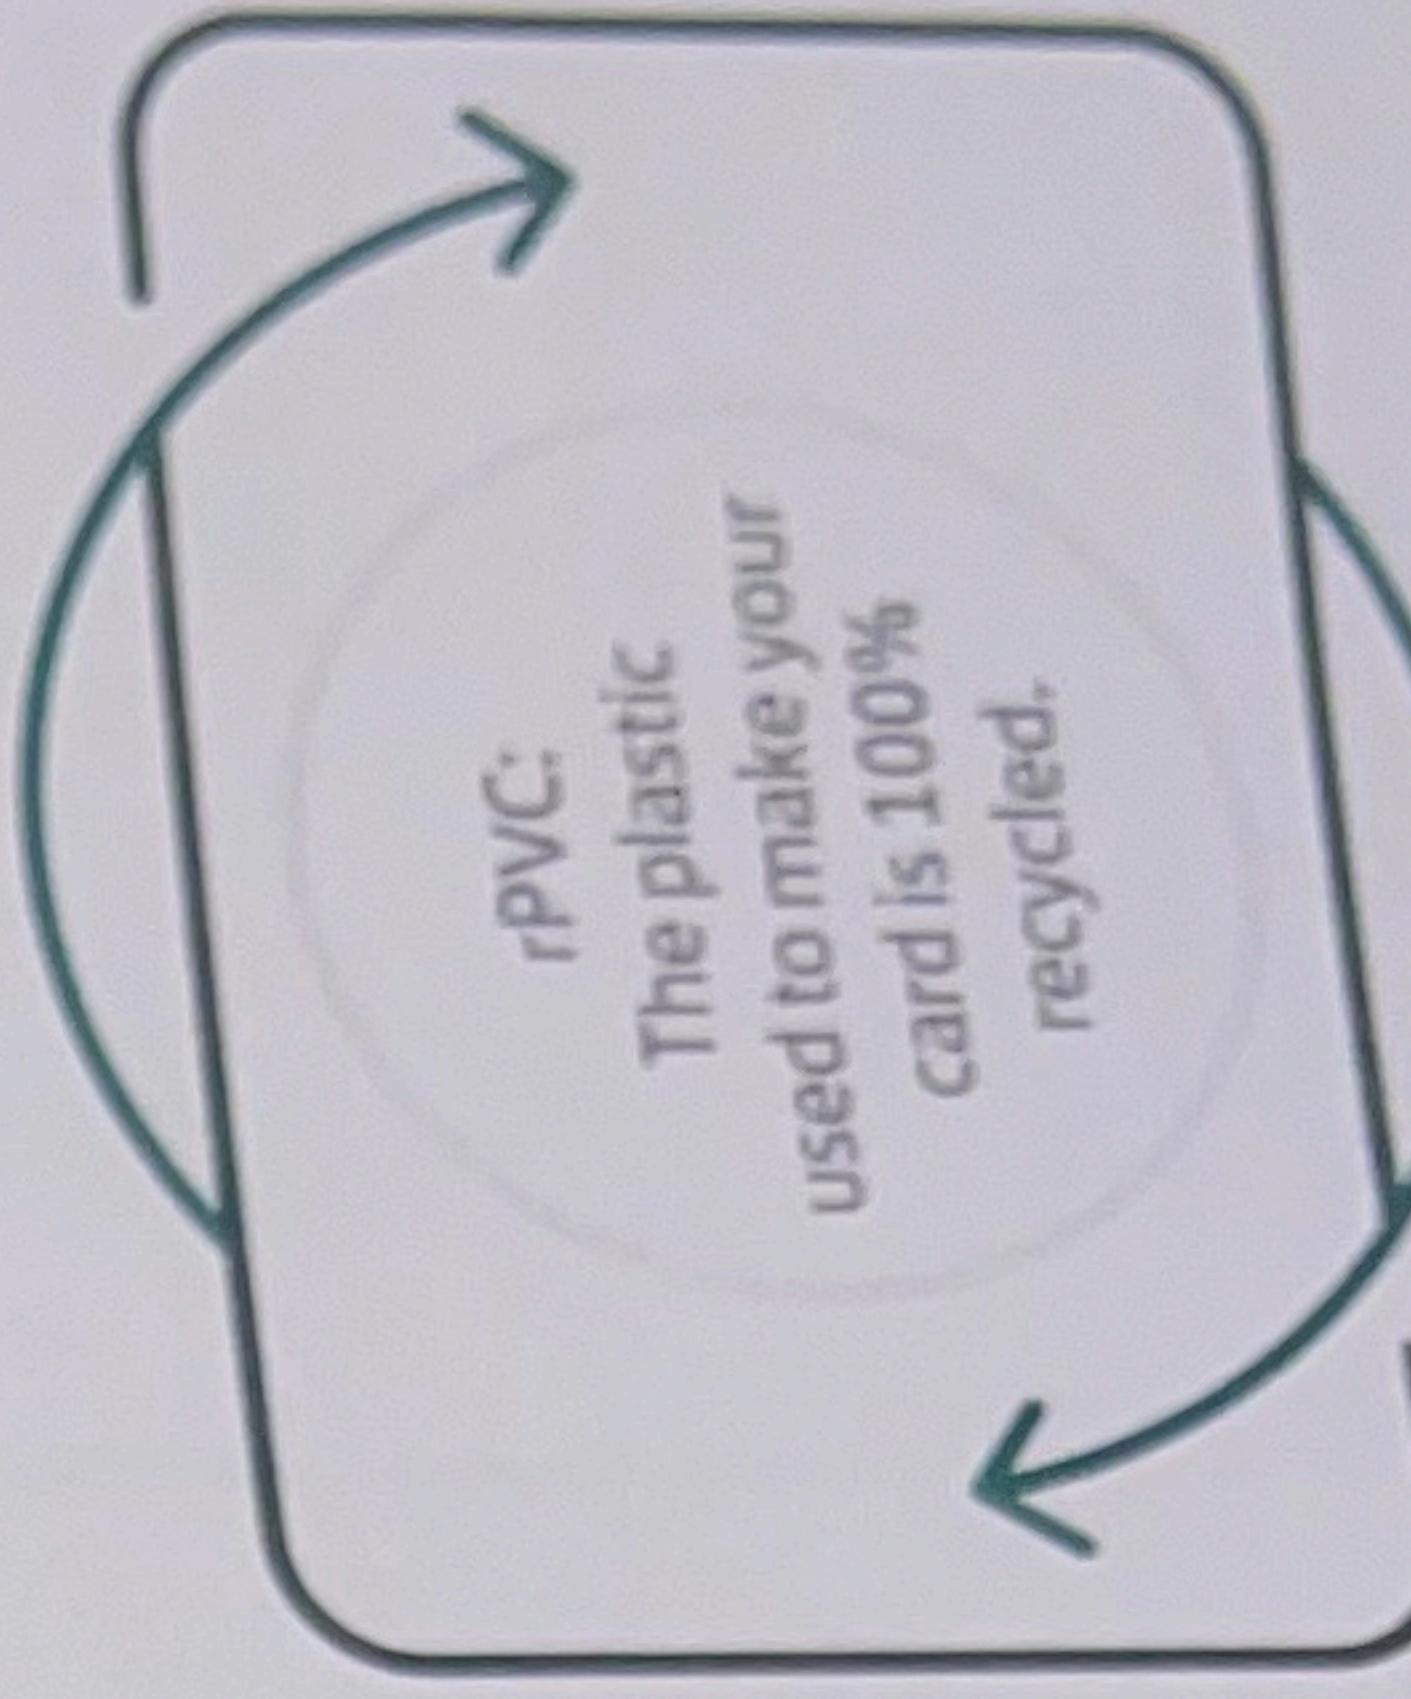

You'll see your
account details
are on the back
of your card.

Getting started

- Sign the back of the card. If this is a replacement card, cut up your old card and dispose of it securely.
 - If your card is contactless you'll need to activate it first by making a card and PIN transaction.
- Then you can tap your debit card wherever you see the contactless symbol. From time to time you may be asked to enter your PIN when making a contactless payment to help protect you from fraud.
- You can add your card to your Google Pay™ or Apple Pay™ wallet. If you did so previously, your mobile wallet will automatically update with your new card details. You will need to update your debit card details held anywhere else e.g. online shops.

Forgot your PIN or card details?
You can now view your PIN and your card details in the Mobile Banking app. Go to 'Manage card' in the app.
