خبرة العمل

Real Estate Agent

دبي - Casttio

فبراير 2023 إلى سبتمبر 2023

Real estate Agent

I joined the team full-time in the office under the supervision of the team leader, where we would go to real estate developers and fully study the projects under construction, determine the location, prices, and payment plans and record them in special records. Then we communicate with the customers registered in the company's advertisement and provide them with the details of the project they are interested in, display the appropriate property for their budget, persuade them of various methods, direct them towards successful real estate investment, provide customers with a way to pay the money directly with the developer or through bank financing, and

complete the sale process finally

Real Estate Agent

Sales & rental & Agent

I worked in receiving the apartment from the owner,

furnishing

it with the appropriate furniture, installing the smart

lock,

registering it with the Tourism Authority, registering it under the

company's name, equipping it with tourism requirements,

transferring invoices to the company's name, then

renting it out

on a monthly rent to tourists by displaying it on online applications such as Beauty, Booking, or Property Finder.

I also

worked on marketing and selling projects and

apartments

under construction to developers and various companies

such

as Binghatti, Sobha, Damac, Arada, Samana, Danube
